The Muslim Male The SUPerior HUman being!

WITHOUT FAULT - PURE - « FREE FROM IMPERFECTION »

INDISPUTABLY HOLDER OF THE "REAL" TRUTH

To **Mahsa Amini**, to the Rights of Women around the world and to the hundreds of millions of Muslim women who, like the living conditions Mahsa Amini experienced, are likely to be terrorized, forcibly veiled, deprived of all freedom and above all, worse still, victims of **F**emale **G**enital **M**utilation (**FGM**), which constitutes the largest "CIVILICIDE" (genocide affecting an entire civilization) in Human history (4,000,000 per year). UNICEF lists more than 230 million young girls who have undergone and survived Genital Mutilation.

ODERINT DUM METUANT

LET THEY HATE AS LONG AS THEY FEAR!

But by the way, Zakir Naik What is the fault?

So what is THE fault of all those who were not born Muslim? What is THE fault of these billions of Women who you claim are **DEFECTIVE**, non-Muslims everywhere? The question is asked! "I" ask it. According to Islam.....

All MOTHERS who were not born Muslim would be DEFECTIVE. All DAUGHTERS who were not born Muslim would be DEFECTIVE. All AUNTIES who were not born Muslim would be DEFECTIVE. All NIECES who were not born Muslim would be DEFECTIVE. All COUSINS who were not born Muslim would be DEFECTIVE. All QUEBEC WOMEN who were not born Muslim would be DEFECTIVE. All AMERICAN WOMEN who were not born Muslim would be DEFECTIVE. All FRENCH WOMEN who were not born Muslim would be DEFECTIVE. All ITALIAN WOMEN who were not born Muslim would be DEFECTIVE. All INDIAN WOMEN who were not born Muslim would be DEFECTIVE. All INDIAN WOMEN who were not born Muslim would be DEFECTIVE. All INDIAN WOMEN who were not born Muslim would be DEFECTIVE.

Before commenting in more detail on the lamentable, arrogant, narcissistic and fallacious "**Zakirist**" statement that everything that is not Muslim is, by definition, "defective", "faulty", let us first listen, Music is so important in Life — versus "No Music! No Dance!" — let us first listen, in a hypothetical World Premiere, let us listen, harmonized in FOUR VOICES, let us listen to the hypothetical 11-word melody of the CHOIR OF HOPE bringing together hundreds of millions of non-defective, non-mutilated and non-veiled people belonging to the "WESTERN" tradition.

Women everywhere, DEMAND "Women's Rights + Right to READ". Women everywhere, DEMAND "Women's Rights + Right to SING". Women everywhere, DEMAND "Women's Rights + Right to CHOOSE". Women everywhere, DEMAND "Women's Rights + Right to ENJOY". Women everywhere, DEMAND "Women's Rights + Right to REFUSE".

This Woman in a Full Veil has no Right to read!

On the cover page, in the fiery declaration of the so-called Zakir, the musician that "I" am — — "I" say "I" as in: "The question arises! I ask it!" — — the musician that I am did not know how, could not, did not want to SILENCE, with a photo as an introduction, SILENCE this second monumental and provocative affront to any form of intelligence of the Human Zoological Group, namely:

WHY MUSIC AND DANCE NOT ALLOWED IN ISLAM

On the cover page, in the fiery declaration of the so-called Zakir, the musician that "I" am — — "I" say "I" as in: "The question arises! I ask it!" — — the musician that I am did not know how, could not, did not want to **SILENCE**, in reference to the photo in the introduction, **SILENCE** this second monumental and provocative affront to any form of intelligence of the **HU**man Zoological Group, namely: — — *the permanent diversity of individuals and peoples,* — — (Teilhard de Chardin), in terms of spiritual misguidance, I declare that this Zakirist contempt for Music is the absolute height of stupidity. Imagine! Imagine Life without Music!

TO BAN MUSIC IS TO CUT OFF ACCESS TO THE SOUL!

TO BAN MUSIC IS TO IGNORE THE MEANING OF LIFE

For this "**Indian**" Islamist who claims to have the answer to everything, is the Great **Ravi Shankar defective**? Who knows! In 1999, in "The Eleventh Vibration Heard", my first book devoted to "V11", speaking of Music, with a capital "M" of course, I wrote:

THE TOOL OF KNOWLEDGE PAR EXCELLENCE, THE MEANING OF THINGS WITHIN OUR REACH, THE MATTER BECOMING TIME

Given that my purpose in this **ONLY WOMEN** — SUPHU concerns first and foremost the question of Parity of Human Rights between Women and Men, and, more specifically, the question of the totally unacceptable Islamist tradition of so-called FEMALE GENITAL MUTILATION (FGM) as put forward by Sharia law....

.... given all this, I must SILENCE here, one cannot say everything at once, SILENCE here the moral obligation that I have felt for a long time, that of denouncing without appeal the barbaric tradition of the Taliban, that which consists of FORBIDDING SINGING to Afghan girls aged 12 and over. TO FORBID SINGING IS TO BE COMPLETELY DISCONNECTED FROM REALITY, AS IF THE PRESENT DID NOT EXIST.

IOn the other hand, it is out of question of SILENCING the "I" of the musician that "I" am. The matter is that Music, as a tool of knowledge par excellence, has allowed me to understand that.....

EACH AND EVERY MUSICAL VIBRATION HAS AN EMOTIONAL FUNCTION OF ITS OWN.

CHAQUE VIBRATION MUSICALE A UNE FONCTION ÉMOTIONNELLE QUI LUI EST PROPRE.

Over time, by listening and listening again, I also understood that the emotional function specific to each musical vibration coincides with what I called a "Principle of Life". What is more, by natural and universal harmonic complicity, each vibration couples "UPWARDS" with its neighbor to thus form, each time, an absolutely **unique** musical proportion, an absolutely **unique** musical interval.

In this light, I present here the meaning and scope to be given, according to me, to "V2", the second vibration and to "V3", the third vibration.

V2 - The Principle of Alterity and the Principle of Fertility are inseparable.

In music, everything starts at "2" and not at « 1"

V3 - The Principle of Uniqueness and the Principle of **Diversity** are inseparable.

IN OTHER WORDS, WHO SAYS "UNIQUENESS" SAYS "I"

Remember that you not only have the right to be unique but also the obligation.

«Universal history shows us that after each revolution, after each war, humanity has always appeared a little more coherent, a little more united, in the more tightly woven bonds of its organism, in the strengthened expectation of its common liberation. More differentiated, after each crisis, and yet more one.

If we are not yet witnessing the final surge of discord today, it will be tomorrow, for the outcome is hastening: the time is near when the human mass, closing in on itself, will group all its members within a finally achieved unity, the same legislation, the same spirit, the same orientation tending to cover **the permanent diversity of individuals and peoples.** A little longer and we will form only a single bloc.

Moreover, imprisoned in an inextensible space, and compressed by demographic growth, humanity is forced, by its very problems, to enter the peaceful path of friendship, summoned to transform itself into a fraternal community, condemned to organize itself ».

«....but this untapped potential, this tremendous cause of **optimism is held at Bay by Bloodshed and Terror. There can be no** coexistence with this violence. Terrorists do not worship God; they worship Death. If we do not act against this organized Terror, then owe know what will happen and what will be the end result. Terrorisms, devastation of Life will continue to spread. Peaceful societies will become engulfed by violence and the futures of many generations will be sadly squandered. If we do not stand in uniform condemnation of this killing, then not only will be judged by our people, not only will we be judged by History but we will be judged by God ».

Violence, especially when it attacks Life, is inexcusable. How dare we justify it with "religious" arguments when all religions are ((((supposed to be)))) based on love and generosity. WHAT YOU DO IS WORTH MORE THAN WHAT YOU BELIEVE. WHAT YOU BELIEVE IS WORTH LESS THAN WHAT YOU DO. WHAT YOU DO IS WORTH MORE THAN YOU THINK. WHAT YOU BELIEVE IS WORTH LESS THAN YOU THINK.

Nil Parent - December 25 2024

Did you say « Fault »?

Theologian Pierre Teilhard de Chardin (1881-1955) said: "The word **sin** is not part of my vocabulary." It is not part of mine either.

Nevertheless, the guilt-inducing **SUPHU** context being what it is, I find it relevant to ask myself "*Would the defective that I am be a sin*?" And I find it equally relevant to ask all of you, non-Muslim Women: "*Defective* as you are, would you all be sins?" Or even, more generally, "Would your birth have been a sin?" And your Mother then? A sinner? And your Father then? A sinner?

Is your life an error? Is your life a misunderstanding? Worse still! Is your life a punishment? Were you born into impurity, into inferiority?

And I add, "How **?lucky?** are you, all of you non-Muslims," the word **lucky** being taken with a pinch of salt, as they say. Indeed, it is a well-deserved, well-earned "**luck**," a "**luck**" that did not come for free, that did not fall from the sky. Far from it!

I am thinking here of the many courageous feminist and other struggles waged mainly **in the West for Women's Rights,** struggles that are important to continue and essential to spread everywhere, in particular among the hundreds of millions of Muslim Women deprived of Freedom, to the point of prohibition, it is ideological, it is dogmatic, it is Sharia, to the point of prohibition of reading, of protesting, of singing, of enjoying, of dreaming, of discussing, of deciding, of choosing, of planning, of rejecting, of refusing.

That said, despite the magnitude of what remains to be accomplished to achieve real and daily **"PARITY OF HUMAN RIGHTS BETWEEN WOMEN AND MEN, BETWEEN FEMALES AND MALES, BETWEEN "XXs" AND "XYs"**, I am pleased to point out in passing that the more time passes, the more numerous Women Leaders there are. I am speaking here of these courageously committed Women who, with energy and intelligence, fight for their Human Rights, for their Freedom and therefore, inseparably, I insist, inseparably, for Peace.

ONLY WOMEN CAN SAVE THE WORLD!

I say "**inseparably**" because I am of the opinion that there is indeed **inseparability between Peace and Women's Rights**, an inseparability that could not be more natural since, in fact, it is on the side of the Female Voice, stable throughout Life unlike the "changing" (molting) Male Voice, it is on the side of the Female Voice that **LIFE HAS CHOSEN** to root its universal vibratory reference.

The Feminine Voice is the vibrational reference of the Human species.

«"Millions of Muslims are converting to Christianity despite the risk of persecution."

"Whoever changes his religion, kill him." The phrase attributed to the Prophet Muhammad (haddith al-Bukhari 3017) regarding converts from Islam is merciless. But since the mid-20th century, their number has only increased throughout the world: today, nearly 10 million are said to have embraced Christianity, more than half in Indonesia. The planned persecutions are there, like the one currently underway in Algeria, without however managing to suppress this breath in the house of Islam.

«In several Muslim countries governed by Sharia law, **apostasy is punishable by death**: unsurprisingly, Saudi Arabia, Afghanistan, and Iran are examples, but so are some regions of Nigeria and some Southeast Asian states. Other governments, such as those of Pakistan, Algeria, and Morocco, have a legal framework that criminalizes offenses to religion or the sacred and is very flexible in persecuting "unbelievers." Even in France, converts to Christianity face serious threats. »

Back to "Sharia in Canada"!

What can be said in the face of this suicidal and revolting prospect of **PURIFICATION BY EXCISION**, a prospect of unspeakable barbarity, cruelly violent, often fatally violent, a true sexual torture that is **totally unnatural**, an eminently misogynistic prospect from the point of view of its ideology and its daily consequences as well? What can be said?

Could it be that **sex**, I mean **sex**, this **sex** which is nevertheless Life itself, this **sex** which is nevertheless the fundamental, existential, universal and inescapable mechanism of Human Life

The Principle of Alterity and the Principle of Fertility are inseparable.

..... Could it be that **sex** is evil incarnate, the **sin of sins**, the IMPURITY of IMPURITIES?

Could the human body, more precisely the female human body, be, as in Plato, a terrible prison cutting off access to any form of spiritual elevation? Could it be that this human body is, from its birth, a despicable error, despicable to the point of requiring **PURIFICATION BY EXCISION**?

That would explain, wouldn't it, it's DOGMATIC, wouldn't it, it's **INDISPUTABLE**, wouldn't it, that would explain why we, the **SUPHU**, Muslim males born perfect, that would explain why we do this to you, the females.

To be honest, clitoral excision is done to save you, to save your spirituality. Isn't that right? In short, to be honest, it's to **PURIFY** you.

PURITY IS SERIOUS YOU KNOW!!

ONLY Women can save the world. ONLY Arab Women can save Arab Civilization.

We, the **SUPHU**, are naturally born with **PURITY**. But not Women, with, what a horror, their **menstruation**. And that's normal! In fact, it's more than normal, it's logical since a Female, as we all know, is only ever worth a fraction of a Male. Isn't that right!

So obviously, our females, the obedient, the submissive, the veiled, the terrorized, we have to mutilate their clitoris, don't we? We have to cut off their access to pleasure to prevent them from becoming "all carried away, all mixed up," to the point of asking questions about their role and their place in the world.

PURITY is not RACISM, is it! It's DOGMATIC, you know. **IT'S NOT EVEN UP FOR DISCUSSION!** In any case, one thing must be clear: our women, publicly, do not have the right to speak.

Let Women be silent in the assemblies because it is not permitted for them to speak!

DID YOU SAY «**RACISM**»?

Nowadays, the word "racist" has become a provocative catch-all. As soon as you contradict a supporter of the truth, the real truth obviously, the only truth obviously, so, it goes without saying, the Islamic truth, right, then, that's it! It's official! You are a **RACIST**! Yes my dear unveiled Westerner! Yes my dear unveiled Chinese Woman! Yes my dear unveiled Indian Woman! Yes my dear Mahsa Amini "unveiled" and therefore apostatized, tortured, **raped** and killed. Yes all my dear **defectives**, you are "**racists**".

And on the side of **defective** males, the Westerners obviously, **defective** of which I am one, it is even worse. If you have the misfortune to say anything, even a passing allusion questioning the relevance of tolerating, or even accepting Sharia law in the West, then watch out! The knives (blades) will fly low, or rather high, up to the neck, up to the throat, from behind as well as from the front, a question, is it not, of stifling any discourse incompatible with the establishment of a global caliphate.

Moreover, according to territorial intelligence, the Muslim Brotherhood wants to make France Sharia-compatible.

But where does this hatred of everything that is not Muslim come from?

Fadila Maaroufi provides an answer to this question. A Belgian anthropologist and secular activist of Moroccan origin, in 2020 she co-founded "L'Observatoire des Fondamentalismes" in Brussels, whose primary mission is to alert, pool, disseminate and share theoretical, practical and critical knowledge on religious fundamentalisms.

«I saw this fundamentalism and through this fundamentalism, I was able to see that it is the hatred that we nourish within our families, within the community against the Jews and against others, all those who are not Muslims.».

«These women who taught them to be violent towards others, whether Jews, unbelievers, Christians... they were taught that the next to be exterminated were the "faggots" and the Jews. Their project, their ultimate goal, is the global caliphate.».

ODERINT DUM METUANT!

The Waltz of the **RACISTS** »?

In this deliberately provocative photo, a photo which is in fact, unbeknownst to the presenter, Islamist propaganda, the "veiled" Woman, as is so often the case, plays the role of "victim".

In fact, there's one "S" too many! It should be written "racist" and the arrow should point in the opposite direction. Here we see the technique most used by the "veiled," the "submissive," the "service provocateurs." The technique in question, well-tested for decades, if not longer, is "guilt-inducing provocation." This is an effective communication strategy. It is based on the fallacious guilt-tripping, in this case, of the impure (the "white Western" presenter), the defective, the colonizer, as if, over a period of nearly 1,400 years, Islamist slavery had never existed.

I am talking here about a strategy used in profusion, I would even say, perfidious acceleration, more and more often by the **SUPHU**. I am talking here about a trapping strategy which, even today, unfortunately, remains **excessively tolerated by Westerners.** That said, I would point out that, more often than not, a movement that accelerates is coming to an end. That being said, I am of the opinion that **excessive tolerance has had its day**. We must no longer, everywhere in the West, tolerate the guilt-inducing flights of veiled racist provocateurs on duty.

I DID SAY « RACISM »?

Contempt for non-Muslim Women is endemic racism. Contempt for non-Muslim Women is systemic racism. Contempt for non-Muslim Women is dogmatic racism. Contempt for non-Muslim Women is institutional racism. Contempt for non-Muslim Women is ideological racism.

Love and Freedom are inseparable. And so are Respect and Love.

Contempt for unveiled Women is ideological racism. Contempt for unveiled Women is institutional racism. Contempt for unveiled Women is dogmatic racism. Contempt for unveiled Women is systemic racism. Contempt for unveiled Women is endemic racism.

The veil is not a religious symbol

NEWS - LE JOURNAL DE QUÉBEC - FRIDAY, OCTOBER 28, 2016

Houda-Pépin attacks the neutrality bill.

According to the former Liberal MP, clothing such as the burqa and the chador are symbols of the subjugation of Women. The bill on religious accommodations would allow government employees to wear clothing such as the chador, the niqab, and the burqa, denounces former Liberal MP Fatima Houda-Pépin.

Because they predate the birth of Islam, these garments are not religious symbols but signs of the enslavement of Women, protested Ms. Houda-Pépin....

"With the face uncovered, it's the chador. If it's the chador, it must be clearly written so that the deputies know that they will vote for the implementation of the chador in the Quebec government's public service. Women fought for gender equality, we're not going to go backwards today because there's a chador walking around in the landscape."

Title of the YouTube: **Deedat's Funniest** Response To Girl's Question On Hijab

How dare you, **Deedat**, how dare you, **"islamica.co**," claim to be able to moralize to **"Westerners**" as you say, these **non-Muslim, non-veiled, non-mutilated and non-terrorized Women,** these Women who, in **«AMERICA »**?

— — — I am talking here about "AMERICA" as HATED/DESPICED without reservation by a man named Mohammad Nusairat who, on May 3, 2024, at the University of Illinois at Chicago, declared:

"AMERICA IS THE CANCER. AMERICA, THE AMERICAN GOVERNMENT, SECULARISM, DEMOCRACY, CAPITALISM—THESE CANCERS HAVE SPREAD THEIR DISEASE THROUGHOUT THE WORLD. NON-MUSLIM ARE TIRED OF THIS CANCER. THEY ARE TIRED OF THE AMERICAN GOVERNMENT. **THEY ARE TIRED OF DEMOCRACY.** THEY WANT TO SEE A NEW WAY OF LIFE, AND AS MUSLIMS, WE MUST UNDERSTAND THAT WE HAVE THIS NEW WAY OF LIFE."—————

How dare you, **Deedat**, how dare you, **"islamica.co"**, in an odiously mocking, narcissistic, contemptuous tone, in short, in a tone soaked in **SUPHU**, how dare you assert that, on the side of the stupid and idiotic **"non-hijabed" American Women**, how dare you assert that wearing a **BIKINI** would be an

....INVITATION to RAPE?

« But my dear sisters, those women with **bikinis** and tangas and Gstrings »

WOMEN IS BEING RAPED, I SAID: YOU ARE **INVITING** IT.

.....as if, in **bikinis**, the stupid and idiotic "**Westerners**" all sang together this hypothetically well-known melody in "AMERICA":

I am a "Bikini Woman." I invite you to rape me.
I am a "Sin Woman." I invite you to rape me.
I am an "Unveiled Woman."I invite you to rape me.
I am an "Unmutilated Woman."I invite you to rape me.
I am a "Non-Muslim Woman." I invite you to rape me.

Mesdames et Messieurs, Ladies and Gentlemen, Signore e Signori, Dames en Heren, देवियो और सज्जनों......

TO HONOR INTERNATIONAL WOMEN'S DAY ON MARCH 8......

here are eleven (11) words **TOTALLY INCOMPATIBLE** with the **SUPHU** tradition

Love and Freedom are inseparable. Inseparable also are **Respect** and Love.

RESPECT

To my Mother, not at all defective. To my Father, not at all defective.

Respect for others begins with respect for oneself. Self-respect implicitly means earning respect.

Being respected also means having your **language** respected. Being respected also means having your **culture** respected. Being respected also means having your **identity** respected. Being respected also means having your **roots** respected. Being respected also means having your **values** respected. Being respected also means having your **history** respected. Being respected also means having your **ancestors** respected. Being respected also means having your **ancestors** respected. Being respected also means having your **distinction** respected. Being respected also means having your **distinction** respected. So, **Deedat-Islamica.co**, since we are talking about respect, on the same hypothetical melody, a **burked quintet** came to me. Obviously, it is not dedicated to you, a matter of respect for the "Westerners" of which I am proudly a part, a **burked quintet** that I dedicate rather to the hundreds of millions of **"non-mutilated"**, **"non-Muslim"**, **"non-terrorized" and "unveiled" women** around the world:

| l am a | "Burked/Forced." | I am forbidden to sing. |
|--------|------------------|---------------------------------|
| l am a | "Burked/Forced." | I am forbidden to read. |
| I am a | "Burked/Forced." | I am forbidden to speak. |
| I am a | "Burked/Forced." | I am forbidden to think |
| I am a | "Burked/Forced." | I am forbidden to dream. |

Then, I wanted to check if the word "**Burked**", always feminine of course, "**Burked**" which means "Woman who wears the burka", I wanted to check if this word had already been used. And, chance or luck, it doesn't matter, this allowed me, yes, to confirm the thing, joyfully, gloriously and, all at the same time, very sadly. Because in fact, research allowed me to find a **Burked** variation coming from a very famous song by Sylvie Vartan:

« Ce soir, je serai LA PLUS BELLE pour aller danser ». "Tonight, I will be THE MOST BEAUTIFUL to go dancing.": https://www.wikiberal.org/images/9/94/LMDMjournal_011.pdf

Yasminna, burked but not stupid, took advantage of the garbage day to escape from her husband without anyone noticing anything"

The point here is that, **in French**, **LA PLUS BELLE** and **LA POUBELLE** (which means « garbage can ») sounds very much alike. As a result,

Ce soir, je serai LA PLUS BELLE pour aller danser. becomes Ce soir, je serai LA POUBELLE pour aller danser.

The traffickers released them after three days, without saying why. Layla thought her new life in Libya was starting to improve after the family managed to travel west and she rented a room and started working.

But one day, her husband left to look for work and never returned. Then her 19-year-old daughter was **raped** by a man known to the family through Layla's work. "He told my daughter he **would rape** her little sister if she talked about what he had done to her," Layla says.

DURBAN INVITING to RAPE

Anyway, at 05:36, the grotesque haranguer Allahyarham Syeikh Ahmed Hoosen **Deedat** Rahimahullah declares:

«The Westerner, he sells his mother, his wife, his daughter. His wife is a star and she is mangled on the screen, simulating rape because they enjoy it».

But it turns out that those who rejoice in **rapes** may not be those that "**islamica.co**" denounces with such fervor.

"Make sure you don't leave any of them behind" Adil Charkaoui 06/11/23 when speaking of the Jews.

Because in fact, it is indeed hatred which is in question in this degrading and misleading affair of **INVITATION TO RAPE.**

And if we were to ask ourselves to whom the well-known formula "see the speck in your neighbor's eye and not see the beam in your own" applies?

And if we would leave the "hatefully moralistic discourse" coming from **South Africa** to better sail towards those, just as sadly hateful, coming from **ALGERIA**, **IRAQ**, **IRAN**, **PAKISTAN** and more!

ALGERIA INVITING TO RAPE

To leave **"islamica.co"** to go from South to North Africa, to go **from Durban to Algiers**, to go from **Deedat** to **Youcef**, to go from invitation to invitation, to go **from rape to rape**, I didn't choose "WESTERN **SUPHU** AIR CONTINENTAL." No!

Instead, I chose the last words of a song (1968) by Serge Lama:

Mais d'aventure en aventure////But from adventure to adventure De train en train, de port en port////From train to train, from port to port Je n'ai pu fermer ma blessure////I couldn't heal my wound Parce que je t'aime!////Because I love you! Zazou Youcef, an influencer under the "OQTF" banner, was arrested after calling for attacks... calling for **lape**.

In a video posted on the evening of December 31, the "influencer" called for acts of terrorism in France and also in Algeria. **We are at war!** At the slightest misstep, we're going to f*** your **Mothers**», he explained, miming a **throat-slitting gesture**. He then filmed himself in the streets of Brest. «Come and confront us. If you have something to say, we're here. **We're going to f*** you, piss on you, we're going to rape you and then f*** your Mother**. Long live Algeria, I'm going to finish you off," he threatened.».

.... or that of the "**reciter on two chords**" Aya Nakamura, who, I dare hope, has possibly never heard of the sad and barbaric "NO SINGING" from the Minister of National Education of Afghanistan. From 12 years old, future "Burked", **TACET! Shut up!**

That said, the two-time use of the word **"mother"** in the Algerian tirade possibly read by 400,000 "followers" aroused in me, almost instantly, a feeling of revolt and disgust such that I felt the need to return to the hypothetical melody of the Afghan BURKED females

But not a full return. No! In a lower key. Let's say a tritone lower. Having understood a long time ago that the mechanics of all music is the alternation between permanence and variation, and having also understood that the general context of this "SUPHU" is based on « **BIKINI INVITING TO RAPE** according to the so-called **DEEDAT** of Durban, my hypothetical "variation" has become....

PAKISTAN INVITING TO RAPE

https://www.youtube.com/shorts/fMLkx3KwmRg Crisis in Great-Britain André Bercoff - 01/06/25 https://www.youtube.com/watch?v=4b5RrJs-CX4

« "With this huge trafficking of **raped** girls, what happened was that you had thousands of English girls aged 14, 15, 16, in Telford, Oldham and various English towns (Oxford - Rochdale), again for decades, they were sexually abused and exploited between 1997 and 2013.

That was Rotherham, but much earlier in Telford and much earlier **in other countries.** Well, what was it about? It was simply, and when we have details, I'll tell you, I don't know what we can say, we really feel our hearts break, girls exploited, sexually enslaved, given into prostitution, by gangs, it must be said, of Pakistanis, Indo-Pakistanis operating in England, with details that I won't give here but you can go and find out about all the networks, about what's going on. Well, above all with the complicity and cowardice of a certain number of English authorities, including, it must be said, former Prime Minister Gordon Brown, the

Director of Justice Jackie Smith, **Keir Starmer** himself, who was an Inspector at the time. What does that mean? It means that there were groups, dozens of them, like that, who were exploiting a certain number of girls, 14-15 years old, gullible... turning them into sexual beasts of burden, force-feeding them heroin, torturing them, dismembering them, uh, something terrifying. ... in other countries.
