

# WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE.

If one day the Women of the world come together, purely and simply for the good of Humanity, it will be a **force** the world has never known before.

Matthew Arnold (1822 - 1888)

## THE FOUR «SEED-SOWERS»

We often hear that Art is a reflection of the society in which it manifests itself. I wholeheartedly agree with this opinion. I would even say that, more than any other form of Art, this matter of reflecting society applies remarkably well to Music.

In **1923**, composer Arnold Schoenberg (1874-1951) introduced a new composition technique called **DODECAPHONISM** (twelve-tone music). By doing so, Schoenberg became a **SEED-SOWER**.

[https://en.wiktionary.org/wiki/prelude#:~:text=prelude%20\(plural%20preludes\),one%20who%20plays%20a%20prelude.](https://en.wiktionary.org/wiki/prelude#:~:text=prelude%20(plural%20preludes),one%20who%20plays%20a%20prelude.)

A **SEED-SOWER** is someone who announces in advance an event that will occur, appear or exist later. The term emphasizes the idea of a prefiguration, that is, an imperfect or symbolic image of something to come. It is often used in contexts where a present element **contains within itself** clues or **traits of something that has not yet happened**, much like an announcement or foretaste.

At first glance, two questions arise. First, « **WHO** » are they? Second, « **What** » are the four prefiguring? In other words, what is it about, and, further still, **what does it lead to?**

- 1 « **Who** » — Arnold Schönberg — « **What** » — **UPROOTING**
- 2 « **Who** » — Norman Mailer — « **What** » — **D.E.I. CANCER**
- 3 « **Who** » — Martin Luther King Jr. — « **What** » — **RECOVERY**
- 4 « **Who** » — Donald J. Trump — « **What** » — **RE-ROOTING**

**1-** Schoenberg's historical proposition will indeed turn out to be a very meaningful presentiment, a presentiment which, to a large extent, will announce the chaotic state of our Western society as it will evolve until November 2024. I am therefore speaking here of a chaos whose constant progression will spread over 101 years.

The driving principle of DODÉCAPHONISM — I must point this out here because, to my knowledge, it has never been mentioned elsewhere — the driving principle of Schoenberg's composition perspective is **strictly** mathematical. It is neither vibratory, nor acoustic, nor harmonic, nor even natural.

In other words, like many components of today's world — I'm thinking in particular of the «**pastism**» (**passéism**) of the Muslim tradition, but I'm also

thinking of the cancer of the «D.E.I.» ideology with its « woke" trans-identity movement — — DODECAPHONISM is **disconnected from reality**. And this is easily understandable since its basic mechanical principle, is based on non-repetition. As a result, everything becomes **EQUAL**.

**1923**

The beginning of the disconnection from reality.

The beginning of the **uprooting**.

All notes are of **equal** importance, **equal** value, and **equal** functionality. Consequently, everything becomes **equal**, and therefore, everything is permitted. You can say anything! You can claim anything, for example: « **Time does no exist!** » which would make any **"unexpected rendezvous"** impossible. Could Paul Éluard have been **"in the potatoes"** or would it rather be the fanatics of **"theoretical physics"** ». Who knows!

**Ugliness** can now claim to be beauty, crass ignorance to be knowledge, decadence to be glory. In any case, you can no longer make mistakes! And so, as a bonus, **you can no longer sing out of tune!** Isn't that wonderful! A false note? It doesn't exist! The omnipotent, not to say the **deified series** of **twelve (12)** notes will always be able to explain everything. We are entering the era of pretended **?TOTAL FREEDOM?**

## THE BRIGITTANNED OLYMPICS

But that's only in principle because, in practice, there's no way of allowing a luminous, glorious **said "perfect"** chord to slip through a forest of intervals that go nowhere. How awful that would be, isn't it!

Recognizable themes! Ingenious variations! Musical developments that make sense! Don't even think about it! In fact, anything that refers to elements of "classical" or "traditional" or "folkloric" musical discourse is **to be banned**, which amounts to saying that anything that refers to "harmonic" elements is **to be banned**. Harmony! What is that? Who knows, perhaps the **12** is not what the classic symbolism of numbers claims.

That being, it becomes clear that what is at stake in this matter of

supposedly total, declared total, and theorized total functional **equality** is the **generalized uprooting** of the Western musical tradition, the most advanced tradition, I should add, and, by logical and coherent extension, since Art is a reflection of society, what is ultimately at stake in the **disconnection from reality** mentioned earlier is the **GENERALIZED UPROOTING of Western Civilization** as a whole. Nothing less!

We must fear the **homogenization** of the human species.

Norman Mailer (**1923** - 2007)

**2 -** When Norman Mailer warns us against homogenization, he becomes a « **SEED-SOWER**» of the social, political, and other developments that, following the Second World War (1939-1945), would set in motion first in the United States and then throughout Western Civilization, from Vladivostok to Palo Alto, from Baffin Island to Cape Horn, from Australia to New Zealand, and from Scandinavia to Antarctica.

What is at the root of the homogenization of the human species? What is discreetly hidden behind this false suicidal ideology? It would be, let's suppose, the so-called "**DEEP STATE**." And I certainly won't pretend to know more than millions of "**Ordinary**" people know....or don't know. In any case, that is not at all the purpose of this script, which will now, for a time, take the form of a quintet of equations.

DEEP STATE = HOMOGENIZATION

HOMOGENIZATION = UPROOTING

UPROOTING = DISCONNECTED FROM REALITY

DISCONNECTED FROM REALITY = «D.E.I.» IDEOLOGY

«D.E.I.» IDEOLOGY = DEEP STATE

Homogenization is, by definition, a weakening, numbing, paralyzing, and even suicidal process. The more homogeneous you become, the more your lack of roots is felt, and this uprooting can sometimes lead to **self-mutilation** — the so-called transition surgeries and chemical transformations of “trans-identity” madness — or even **death**. Why?

Because if any foreign body, let's say a social or moral microbe, let's say the microbe is called «D.E.I.», if any microbe succeeds in invading you, even in just one of your « particles of Life », then, over time, it's fatal, it's fateful, it's inevitable and it's deadly. Your homogenization being, it's in all your « particles of Life » that the microbe will gloriously spread.

In this light, we understand that homogenization consists of making everything **equal** in order to better destabilize everything — What is biological sex? » — making everything **equal** in order to better invade everything, making everything **equal** in order to better make you doubt everything, making everything **equal** in order to better, amidst widespread doubt, make you **excessively tolerant and irresponsible**.

But above all, making everything **equal** is to better **cut/uproot** reliable benchmarks, **cut/uproot** references, **cut/uproot** proven values, **family and parenthood** in the first place. In other words, by **cutting** everything, by **uprooting** everything, by **rejecting** everything, the goal sought, always the same for ages, is to push back even further, even longer, the thousands of years old **masculine** refusal to recognize **at an equal level the indispensable existential complementarity of Femininity**.

Today's homogenization and its source, the said «Deep State», is fundamentally a **misogynistic** ideology.

By **cutting** everything off, by **uprooting** everything, the «deep state» ensures the destruction of individuality, personalization, genetic identity, the sexual foundations, creative memory, ancestral traditions and the precious inventiveness that results from it.

So, why get carried away, isn't it? Why get so passionate about this or that, isn't it, when you know in advance that everything you do will end up being just **noise**, just some «everything **equal**», just some «**anything goes** ». In other words, with its «everything **equal**», the Deep State is ensuring the dismantling of the third Principle of Life, the **PRINCIPLE OF UNIQUENESS** so dear to Western tradition.

Remember that you not only have the right  
to be **unique**, but also the **obligation**.

Eleanor Roosevelt (1884 - 1962)

**D.E.I. + ILLEGAL IMMIGRATION**

**THE STRATEGIES OF HOMOGENIZATION**

1 - D.E.I.

I am of the opinion that the very first objective of the infamous « **D.E.I.** » ideology — — « **D.E.I.** » as in «AGNUS **DEI** » obviously — — is to **destroy Western Civilization** as a whole. Nothing less!

« **D.E.I.** » is the very embodiment of limitless hatred, not to say **idealized, doctrinal** hatred, the permanent hatred of everything that defines the most evolved Civilization in the world, the richest culturally speaking, socially speaking, scientifically speaking, musically speaking, namely, our glorious **WONDERFULLY imperfect** Western Civilization.

Did you say « **imperfect** »?  
Yes, but I emphasized **WONDERFULLY**

Perfection is a chimera, a fiction, a misunderstanding, a vulgar supposition coming from mathematics, that is to say, like the so-called "Number Theory", a more than questionable but nevertheless thousand-year-old ideology completely "disconnected from reality". Yes, there are Numbers in Nature but they do not function at all as the Number Theory "theorizes" them, positions them, defines them, **divinizes** them.

*«In 1196, Maemoni wrote: Even God, though all-powerful and infinitely free, could not have created anything that contradicted Aristotle's logic or Euclid's geometry».*

**THE MATHEMATICIAN MORE POWERFUL THAN GOD.».**

<https://www.youtube.com/watch?v=l1xM1bicp4U>

Étienne Ghys

For there to be "perfection", everything would have to stop, that is to say everything would have to be dead, everything would have to be immobile, everything would have to be **"fixed"** as in **«THE WORLD OF THE FIXED »** in Pythagoras.»

THE INFINITY OF SPACE PRESUPPOSES SOMETHING  
THAT THE GREEKS THEMSELVES DID NOT ACCEPT.  
(Étienne Ghys)

You did say **«WONDERFULLY imperfect»**  
But what's the point?

There are two! First, when it comes to perfection, to reality.....

EVERYTHING VIBRATES - EVERYTHING MOVES - EVERYTHING  
EVOLVES - EVERYTHING RISES  
**YOU FORGET THAT!**

Secondly, according to some, **imperfection**, that is to say, *reality*, would concern **ONLY** Western civilization. The Muslim tradition, on the other hand, would be "exempt" from it.

Let us listen to the Iranian Imam Tawhidi ranting about it

He says:

*I talk about reforming Islam, but in reality, I know very well that **there will never be such a reform**..... but we will have to pave the way for a possible reform **in a few centuries**..... The idea of reforming something that was once presented as **PERFECT**, it makes no sense. It is already **PERFECT**. So it is not as if Islam was introduced in Mecca as another option, a theory or a new way of life. It was presented as the **PERFECT** and **unique way of life for all human beings**. And when you take such an approach, it is very difficult to turn around and say “let us reform what is already **PERFECT**”. What the Wahhabis did is they sold a bigger lie and they said “Hey, let us live as the Prophet Muhammad lived, because, he is **THE PERFECT IMAGE OF MAN.**”*

**DA CAPO - D.E.I.**

I am of the opinion that the very first objective of the infamous « **D.E.I.** » ideology — — « **D.E.I.** » as in «AGNUS **DEI** » obviously — — is to **destroy Western Civilization** as a whole. Nothing less!

More precisely, it is about blocking, weakening, stifling, poisoning and

**destroying/uprooting/unweaving** the social fabric — — **family and parental** in the first place — — of the Western Civilisation as a whole as it manifests itself until 2024.

**destroying/uprooting/unweaving** its moral fabric, its political fabric, its financial, military and judicial fabrics;

**destroying/uprooting/unweaving** its scientific fabric (R+D), its university fabric and, top priority, its school fabric thanks to the **shameful complicity** of the Marketing Department of the Medical Industrial Complex which, discreetly, pulls the strings of the massacring so-called “transition” surgeries which deprave a whole generation of young girls and boys;

**destroying/uprooting/unweaving** its **religious** fabric with the **shameful complicity** — — this is unfortunately far from surprising since it is based on “Sharia” and therefore on “Khalifa” — — with the **shameful complicity** of the Islamist Mayor Abdullah Hussein Hammoud in Dearborn/Michigan who claims that in **HIS** city, *it is strictly forbidden to criticize Islam*, and he goes so far as to hatefully tell to a

«**CHRISTIAN**» citizen that **he is not welcome** in **HIS** islamic city;

[chrome-extension://efaidnbmnnnibpcajpcgiclfefndmkaj/https://feminsap58.com/wp-content/uploads/2025/09/APPALLING\\_ILHAN\\_OMAR\\_ENGL-1.pdf](chrome-extension://efaidnbmnnnibpcajpcgiclfefndmkaj/https://feminsap58.com/wp-content/uploads/2025/09/APPALLING_ILHAN_OMAR_ENGL-1.pdf)

**destroying/uprooting/unweaving** its **democratic** fabric by systematically and fallaciously invoking what precisely constitutes its most defining signature: «**FREEDOM OF SPEECH**».

That said, I must add that at this stage of our journey as a Female Human Zoological Group and as a Male Human Zoological Group (see further the text by «**Teilhard de Chardin**»), there is a very special reason that makes **the destruction of Western Civilization** a top priority in the eyes of the **D.E.I. Project**. It is the fact that our Civilization, rich in unequalled achievements, comes with a **moral, social, democratic and Humanist signature** which, still today, is absolutely **EXCLUSIVE**:

## **WOMEN'S RIGHTS**

**When you consider** the invariably misogynistic policies of selective natality in the other civilizations; **when you consider** that we are still living in a world where, every **8.41 seconds**, a little girl has her clitoris excised (Unicef 2024 = 3,750,000 per year); **when you consider** that this is happening with the knowledge of the incompetent Secretary General of the UN, António Guterres, who, under the pressure from the «Muslim Brotherhood», spends his time **STAMMERING** about his **intolerable and irresponsible tolerance** until 2030; **when you consider** that we live in a world in which several countries, Iran first and foremost, torture and kill

Women thirsting for Dignity and Freedom (Mahsa Amini) simply because they refuse to wear the veil; **when you consider** all that, you understand why, out of jealousy, envy, incarnate contempt and ideological fanaticism, you understand why our Western Civilization, arouses so much hatred and **so many RAPES.**

Dirty white people, we're going to **RAPE** your Women  
and come colonize you.

EVERY 8.41 SECONDS, A WOMAN IS MUTILATED

André Bercoff - 01/06/25

<https://www.youtube.com/watch?v=4b5RrJs-CX4>.

*« With this huge trafficking of raped girls, what happened was that you had thousands of English girls aged 14, 15, 16, in Telford, Oldham and various English towns (Oxford - Rochdale), **for decades**, they were victims of sexual abuse and exploitation between 1997 and 2013....girls exploited, sexually enslaved, given into prostitution, by **gangs**, it must be said, of **Pakistanis** and **Indo - Pakistanis** operating in England ».*

And now, the **D.E.I.** fanatics are saying to themselves:

«To **destroy** the Western social fabric, it is enough to homogenize these imperfect "unbelievers," these imperfect "infidels." And the best way is to **destroy** what is most incompatible with our Sharia law.....»

**THEIR DAMN «WOMEN'S RIGHTS ».**

«We therefore need an effective, universal method, a method that refers to a fundamental reality of the Human Zoological Group. And, thanks to the **excessive and irresponsible tolerance** that we have been able to create in the West through **generalized uprooting**, we have found this effective method. It is simply a matter of selling this totally crazy and unprecedented idea, totally "disconnected from reality," the one that says, that proclaims, that shouts, that vociferates:

**BIOLOGICAL SEX DOES NOT EXIST!**  
**SEX IS A SOCIAL CONSTRUCT.**

**IMPOSSIBLE**  
**CHROMATIC RAP**  
**MARCH 1 2021**

**Biologically** speaking, it is **IMPOSSIBLE** for a Woman to become a man.  
**Chemically** speaking, it is **IMPOSSIBLE** for a Woman to become a man.  
**Physically** speaking, it is **IMPOSSIBLE** for a Woman to become a man.  
**Mechanically** speaking, it is **IMPOSSIBLE** for a Woman to become a man.

**Scientifically** speaking, it is **IMPOSSIBLE** for a man to become a Woman.  
**Medically** speaking, it is **IMPOSSIBLE** for a man to become a Woman.  
**Genetically** speaking, it is **IMPOSSIBLE** for a man to become a Woman.  
**Emotionally** speaking, it is **IMPOSSIBLE** for a man to become a Woman.

*And as an effective, proven, irresistible, and unavoidable marketing strategy, we will create another false ideology that is just as crazy, just as disconnected from reality. "**Disconnected from reality**," right now in the West as in Islamism, is what works the most, the best. So, let's create trans-identity. It won't be difficult or risky. All we have to do is discreetly subsidize the trans-identity invasion through the "media overexposure" to which our MSM give us access.*

All this amounts to saying that the very first characteristic of transgenderism, more than its suicidal, pathological narcissism, is its **endemic misogyny**.

## THE STRATEGIES OF HOMOGENIZATION

### 2 - ILLEGAL IMMIGRATION

With illegal immigration, we are sailing in the middle of **"EVERYTHING IS EQUAL."** It has to float, everything has to float, everyone has to float, everything has to become blurred, confused, and also, and above all, everything has to be terrifying. Terrorizing "White" Women is the best method, so easy and super effective when the goal is to achieve the destruction of the diversity of "native" identities, in other words, when it is a question of **forcibly uprooting**.

Terror must be daily, sustained, widespread, lasting. In any case, with Western women, preferably White, it's so easy. And the law of **EVERYTHING IS EQUAL, HOMOGENIZING**, applies here too, here again, everywhere, all the

time, in all European countries.

So, **what's a French Woman?** Let us listen to the brilliance and intelligence of **Marion Maréchal**, President of « **IDENTITÉ LIBERTÉS** »

*« In Paris in 2023, 77% of rapes committed were by foreigners. This means that today, the attack on Women's freedom in France is **mass immigration and Islamization** »*

<https://www.youtube.com/watch?v=psgpxzXLO2w>

So, what's an **English Woman?** A **German?** A **Swiss?** An **Italian?** A **Spanish Woman?** A **Quebecer?** A **Dutch Woman?** An **Irish Woman?** It doesn't matter! It works everywhere!

And as a great bonus, long live **NO GO ZONES!** Europe is turning into a huge no-go zone. The Budapest Institute for Migration Research, affiliated with the prestigious Matthias Corvinus College, estimates the number of no-go zones in Europe at **900**, a blatant consequence of open-border policies.

<https://www.meforum.org/mef-online/europe-is-turning-into-one-big-no-go-zone>

It is the whole of European diversity that is being attacked, savagely. What the invaders are saying is simple: We must organize and finance massive illegal immigration because there is in Europe a large chunk of "**FREEDOM OF THOUGHT**" and "**FREEDOM OF SPEECH**" that must absolutely be **pulverized** to better implement Sharia law, because, you know, "**FREEDOM OF THOUGHT**" and "**FREEDOM OF SPEECH**" are dangerous values.

***"Remaining vassals in a world of aggressive power will sign the death of European civilization".***

***TO BRING DOWN AMERICA***

*But don't talk to me  
about going back to where I came from.*

At this stage of my writing, there would be so much more to say about **Islamist-dominated immigration** that in order to shorten the length of this script, I have decided to resort to none other than Donald J. Trump, the President of the United States of America.

If we do not stand in uniform condemnation of this killing, then not only will we be judged by our people, not only will we be judged by History but we will be judged by God ».*

**3** - In 1955, when Martin Luther King courageously agreed to assume the Presidency of the Southern Christian Leadership Conference, he became a « **SEED-SOWER**» of the "**Generalized Re-rooting**" of which the African-American movement would soon prove to be the salvational source.

Did you say « **salvational** » ?

Yes, absolutely. The **greatness** that I readily acknowledge in the American people as a whole, and therefore in all of Western Civilization, this **greatness** with such an exceptional and significant historical journey, this **greatness** cannot be hailed, sung, praised and glorified without being equally and inseparably hailed, sung, praised and glorified in terms of moral, social, cultural and political **salvational** contribution of the entire Afro-American movement.

What is more, when I say, speaking of Western Civilization, mine of which I am proud, when I say that it is "the most evolved" mainly on the side of its musical tradition, but not only, far from it, considering the contemptuous and aggressive accusations made against our Western civilization from other civilizations, Islamic civilization first and foremost, I cannot help but recall here what I wrote in 2021 at the very end of my Manifesto dedicated to Afghan women, « SINGING IS FORBIDDEN»

A - **We must stop apologizing** for having been, and still being, the most advanced in the field of music.

B - **We must stop apologizing** for having been, and still being, the most advanced in the field of knowledge.

C - **We must stop apologizing** for having been, and still being, the most advanced in the field of science.

D - **We must stop apologizing** for having been, and still being, the most advanced in the field of knowledge.

In fact, I see the heroic, exemplary, historic and "**salvational**" journey of the African-American movement as the **first SEED-SOWER** return to the «**RE-CONNECTED**» type of reality, the reality of the Life of "Ordinary" people on a daily basis.

This is why, in my Overture chart, "RE-CONNECTED" became RECOVERING.

- 1 « **WHO** » — Arnold Schönberg — « **WHAT** » — **UPROOTING**
- 2 « **WHO** » — Norman Mailer — « **WHAT** » — « **D.E.I.** » **CANCER**
- 3 « **WHO** » — Martin Luther King — « **WHAT** » — **RECOVERY**
- 4 « **WHO** » — Donald J. Trump — « **WHAT** » — **RÉROOTING**

And in my own way of seeing things. **RECOVERY AND NOBILITY ARE INSEPARABLE.** That said, I feel neither comfortable nor authorized to rant, rant, and rant again on this "**salvational**" affair. Therefore, I will content myself here with presenting to you a few fragments of "COTTON", a script initially written in 2023 and dedicated to the third **SEED-SOWER** in this series of four, a **SEED-SOWER** for whom my great admiration is unwavering.

# COTON

**Tribute to the African American musical tradition**

Dedicated to **Martin Luther King Jr.**  
Great Artisan of active and transformative non-violence.

## PROVIDENCE

Introductory note: Martin Luther King discovered nonviolence in his readings of Henry David Thoreau. He then made it a basic principle of his actions to rally his opponents to his cause. The objective: to make them aware, through dialogue and action, of the necessary changes for Peace. Even if the obstacles are numerous, nonviolence remains his guide and he then advocates disobedience to unjust laws in the name of **moral duty**.

[https://www.alternatives-non-violentes.org/Revue/Numeros/146\\_Martin\\_Luther\\_King\\_\\_Un\\_combat\\_exemplaire/Martin\\_Luther\\_King\\_la\\_desobeissance\\_civile](https://www.alternatives-non-violentes.org/Revue/Numeros/146_Martin_Luther_King__Un_combat_exemplaire/Martin_Luther_King_la_desobeissance_civile)

For the entire Western musical tradition to finally reach a state of harmonic intonation, "Just intonation", with a resolution of 1,200 "equal" parts per octave, "equal" parts called "hundredths", it was necessary to wait for the arrival of a prodigious and yet severely underestimated societal, cultural and civilizing phenomenon, a phenomenon that I must describe here as a **paradox**. « V7 », for the first in History, harmonically speaking, becomes « Just».

Singing is the noblest way to manifest one's freedom.

There must have been a lot of **NOBILITY**  
in the **BLACK** plantations in the **white** cotton fields.

## GENERALIZED RE-ROOTING

The fourth SEED-SOWER unlike the first three, is not dead. Far from it! Very far from it! In fact, he is a «Poet», a « SEED-SOWER POET ». Those aren't exactly common these days.

Considering, on the one hand, that the unveiling of the name of the poet in question may take you a bit by surprise, and on the other hand, that the etymological meaning of the word poetry is not necessarily known by everyone, I'll start there.

Poetry comes from the Ancient Greek «ποιεῖν / poiein» which means «to do», «to act», «to create».

[https://fr.wikipedia.org/wiki/Po%C3%A9sie\\_grecque\\_antique](https://fr.wikipedia.org/wiki/Po%C3%A9sie_grecque_antique)

Recently, I saw a YouTube Short in which a Woman, speaking about her husband, said:

« He is a doer »

In my view, this means: «he does», «he acts», «he creates», «he invents», «he organizes», «he rushes», «he accomplishes ».

The name of the Woman here in question is MELANIA KNAUSS TRUMP

When, with a simple four-letter word, Donald John Trump --- June 14, 1946 --- announced his intention, his plan to put an end to the dangerous, suicidal, carcinogenic, and destructive "**Generalized Uprooting**" underway in his country, as «**PREFIGURED**» by Arnold Schönberg (equal strength, equal value, equal function), as «**PREFIGURED**» by Norman Mailer (the homogenization of the human species), and as «**PREFIGURED**» by MARTIN LUTHER KING JR. he became.....

## THE FOURTH SEED-SOWER

SO, LET'S PAVE THE WAY TO HIS REMARKABLE AND TRULY UNPRECEDENTED ACHIEVEMENTS.....

GENERALIZED **RE**-ROOTING ending Homogenization.

GENERALIZED **RE**-ROOTING ending Anonymity.

GENERALIZED **RE**-ROOTING ending "Everything Is Equal."

GENERALIZED **RE**-ROOTING ending the "DEI" Cancer.

GENERALIZED **RE**-ROOTING ending the Collapse of Occident.

GENERALIZED **RE**-ROOTING initiating the **Recovery** of Occident.

GENERALIZED **RE**-ROOTING triggering the **Salvational Return** of the Pendulum of Evolution.

The ostinato I have just used, that of the word "Generalized", aims to demonstrate the existence, in my opinion, very real, of what I call "**THE TRUMP EFFECT**". Is it not becoming more evident every day that the energetic and unprecedented action of the American President goes far beyond the borders of the United States. This is particularly remarkable in

several European countries which, at this moment, must face the dangerous peril of the belligerent invasion based on Sharia law.

Because indeed, when you think about it, the **General Recovery** is a matter of .....

## RESPECT

Respect for others begins with respect for oneself.

Self-respect implies refusing your **humanity** to be disregarded.

Self-respect implies refusing your **dignity** to be disregarded.

Self-respect implies refusing your **language** to be disregarded.

Self-respect implies refusing your **culture** to be disregarded.

Self-respect implies refusing your **values** to be disregarded.

Self-respect implies refusing your **traditions** to be disregarded.

That said, an important question remains. It is about knowing **more precisely where** the four "PRELUDES" already mentioned can lead, the last one in particular, more contemporary and more decisive than ever?

"More precisely," no one can really know, even if many claim to. But when we talk about « preluding », anticipating, prefiguring, we understand that, **by definition**, we are not talking about the short term. I highlight this aspect of things because I am of the opinion that it is not impossible that the general direction and impact of the "Generalized Re-rooting," could, with regard to Peace and the Future of Humanity, lead to .....

## ***So what will it be this time?***

*«Universal history shows us that after each revolution, after each war, humanity has always appeared a little more coherent, a little more united,*

*in the more tightly woven bonds of its organism, in the strengthened expectation of its common liberation. **More differentiated, after each crisis, and yet more one.***

*If we are not yet witnessing the final surge of discord today, it will be tomorrow, for the outcome is hastening: the time is near when the human mass, closing in on itself, will group all its members within a finally achieved unity, the same legislation, the same spirit, the same orientation tending to cover **the permanent diversity of individuals and peoples.** A little longer and we will form only a single bloc.*

*Moreover, imprisoned in an inextensible space, and compressed by demographic growth, humanity is forced, by its very problems, to enter the peaceful path of friendship, summoned to transform itself into a fraternal community, condemned to organize itself ».*
