A Woman who wears the Islamic veil, the burqa, the chador, the hijab, or the niqab is a Woman who supports or tolerates Sharia law. And an Islamist Woman who supports or tolerates Sharia law is a Woman who supports or tolerates Female Genital Mutilation. The two are **inseparable**. And according to the 2024 UNICEF report, there are 3,750,000 cases of Female Genital Mutilation (clitoris removal) per year in the world of the Muslim Brotherhood and in the world of Sharia law.

A Woman who wears the Islamic veil, the burqa, the chador, the hijab, or the niqab is a Woman who supports or tolerates Sharia law. And an Islamist Woman who supports or tolerates Sharia law is a Woman who supports or tolerates the Marriages (Pedophilia) of Very Young Girls. The two are **inseparable**. And there are approximately 10 million such Marriages (Pedophilia) of Very Young Girls per year in the world of the Muslim Brotherhood and in the world of Sharia law, according to the organization « Too Young To Wed ».

Furthermore, a Woman who refuses to wear the Islamic veil, the burqa, the chador, the hijab, or the niqab is a Woman who refuses to support or tolerate Sharia law and, consequently, refuses to support or tolerate Female Genital Mutilation and Child Marriage (Pedophilia) of Very Young Girls. And a Woman who refuses to endure all these horrors is a Woman **in danger** because, in the world of Sharia law and the Muslim Brotherhood, whose driving force is terror, **refusing to wear the veil is punishable by death**. Think of Mahsa Amini in Iran.

Consequently, **WOMEN FROM EVERYWHERE**, in the name of the Fundamental Principle of Equality of Human Rights between Women and Men, demand that your government pass a law prohibiting the wearing of the Islamic veil in all its forms in any public place and at any time, and also demand that any violation of this law have concrete punitive consequences ranging from fines (**Switzerland - Denmark and more** ») to deportation.
