

ANIMALS

On the evening of Thursday, December 18, 2025, having just finished the French version of a 49-page script **---** RE-ROOTING **---** a script dedicated to the millions of Muslim Women who are victims of **Female Genital Mutilation**, hereafter **FGM** (clitoris excision), script also dedicated to the millions of others likely to become victims.....**FGM** (1) what a monumental ideological aberration based on Sharia law, **FGM** (2) what a barbaric massacre, still sadly occurring daily at a rate of **10,273 per day**, **FGM** (3) what a total disappearance of all Human Dignity, **FGM** (4) what a criminal signature **exclusive to Islam**, an ideologically misogynistic religion.....in short, on December 18, **boom**, I find a "YouTube Short" showing a Somali man full of hatred ranting frantically against the so-called "**white animals**" during a fit of «**Acute Male Dogmatic Narcissism**» or «**A.M.D.N.**» syndrome, not to be confused, obviously, that would be a “serious” misunderstanding, with « **M.A.G.A.** »

The « **A.M.D.N.** » is a disease very widespread among the «**SUPHU**», the **SUPERiorly HUmans**, that is to say, who else would dare to claim it, **Muslim Males**, all born impeccably **pure**, without defect according to the famous Zakir Nai and therefore, dogmatically speaking, all born “**perfect**” according to the no less famous Iranian Imam **TAWHIDI**, not to be confused obviously, that would be a «**serious**» misunderstanding, with the famous and joyfully beautiful dancers with flower necklaces of **TAHITI.**

DID YOU SAY « BORN **PURE** »?

A big, mocking smile in the foreground, but, emotionally speaking, carried away by hatred, the hatred he has been told, since his early childhood, to nurture, cultivate, develop, idealize, hatred of **WHITES**, hatred of Westerners, hatred of Jews, hatred of homosexuals and even hatred of Christians, of »Unbelievers," of "Infidels," preferably **WHITE**, in short, as usual, **hatred of everything that is not Muslim**, here is that the discourse of the sneering

Somali --- hereafter «**MIRROR-O-MIRROR**» --- consists of trumpeting, in an eminently contemptuous tone, two words: «**WHITE ANIMALS**»

What a blatant lack of judgment steeped in «**A.M.D.N.**» What a monumental error to use the word «**ANIMALS**» As soon as I hear those two words, they lead me to suspect that the person who said them possesses a **questionable** level of intelligence.

Questionable! A sneer, yes, but not funny. A sneer, yes, but not very clever. His specialty? **Paid** propaganda provocation. **Paid** by whom? That's a mystery! **Paid**, but not in Somali shillings! No way! In good old American dollars, like the ones the Somali mafia in Minneapolis has learned to steal by the hundreds of millions, even billions.

« **WHITE ANIMALS** »

But wait a minute! Governor **Walz** — — not to be confused with «**Waltz**», even though he's quite good at **waltzing** with fraudulent «**accords**» — — could he be the exception that proves the rule, as they say?

As a result, Tim **Walz** wouldn't be part of the herd of **animals** that the Somali has the audacity to laugh at?

But still! But still? Unless the \$poor\$ Governor is some kind of pure spirit who has miraculously escaped all forms of animality. Who knows!

That said, I am not sure that on the one hand, Zakir Naik, the one who always knows everything, the one who always has an answer for everything, and on the other hand, the self-proclaimed "Imam of Peace", Imam Tawhidi, I am not sure they will be in «**accord**» with my audacious hypothesis.

In any case, what «**MIRROR-O-MIRROR**» said was so ridiculous that I laughed, especially since I realized that his monotonous refrain — — in the Arab musical tradition, Western polyphony doesn't exist — — his refrain must certainly be accompanied by very foul odors of vomit, odors with a post-Somali flavor, odors that this despicable, treacherous, unscrupulous politician, completely sold out to the Hussein/Biden camp, has made her oratorical specialty: vomiting out of envy on Western **White** Human Values and, above all, vomiting surreptitiously by resorting to a vicious technique, unfortunately proven effective, that of complaining about her fate, of declaring herself a victim.

« I'm so piteous, I'm a victim, you know, I'm just a \$poor\$ immigrant. My name is Ilhan Abdullahi Omar ».

«Isn't it necessary, indeed », this is what Omar vomits every time she opens her mouth, «Isn't it necessary not only to kill the Jews, all the Jews, Ô God, make sure that you leave none of them.....»

I WAS RAISED TO HATE JEWS

.....but **shouldn't we** also, this is the primary ostinato of her vomit-inducing discourse, this is also the primary ostinato of every «good», obedient and tranquil Muslim Woman and of every **PERFECT MALE MUSLIM**, shouldn't we.....

DESTROY EVERYTHING THAT IS NOT MUSLIM

Fadila Maaroufi

«I have seen this fundamentalism and through this fundamentalism, I have been able to see that it is the hatred that is nurtured within our families, within the community against Jews and against others, all those who are not Muslims ».

<https://www.youtube.com/watch?v=v0U6RArMHI4>

In this light, it is not impertinent to recall that, a few years earlier, the multi-billion dollar, totally corrupt Somali Ilhan Omar found it "APPALLING" to be asked a question about Female Genital Mutilation when Somalia is precisely the country most fond (99%) of this shameful and criminal practice which is utterly barbaric, violent and completely misogynistic.

That said, **the more** I was listening to the bearded braggart pontificating in a tone that sounds like « **ANTI-WHITE CIVILIZATION** » propaganda --- since, in his mind, that's precisely what **WHITE ANIMALS** was about --- **the more** I was listening, **the more** my initial « micro shock » was evaporating because I was realizing that his **WHITE ANIMALS** was going nowhere.

It was nothing but a learned, even imposed, even commissioned refrain, and I also realized ---and this is much more serious --- I realized that he, the great talker, the false sage, was not truly grasping the meaning and scope of what he was saying. How sad! What intellectual poverty!

« "Work for me, you **white animals!**" ».

That's what he thinks he's saying, that's the accusation he believes he's making with his:

« **WHITE ANIMALS** »

But in reality, and much more importantly, what he was essentially saying, what his profound ignorance was preventing him from seeing and understanding, was:

« **WHITE ANIMALS** »

For «**MIRROR-O-MIRROR**» what is at issue in **WHITE ANIMALS** is his hatred of **white Western animals**, primarily **white American animals**, like those, Christians, who live in.....

Dearborn, Michigan

PEOPLE ARE READY TO FIGHT AND GIVE THEIR LIVES

TO TAKE DOWN AMERICA

TO TAKE DOWN AMERICA

.....But not only in Dearborn, Houston, Minneapolis, and elsewhere. In fact, it concerns all the countries of the European Union, with England, France, Germany, and Italy at the forefront. After all, isn't there a Global Caliphate to build, or rather, to finalize, since it's well underway, and has been for centuries, in « **Trojan Horse** » mode?

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY « FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY!

But where does so much hatred against Western Civilization come from?

Firstly, our glorious civilization is the most advanced. Therefore, logically, it is the most envied, and the most attractive as well.

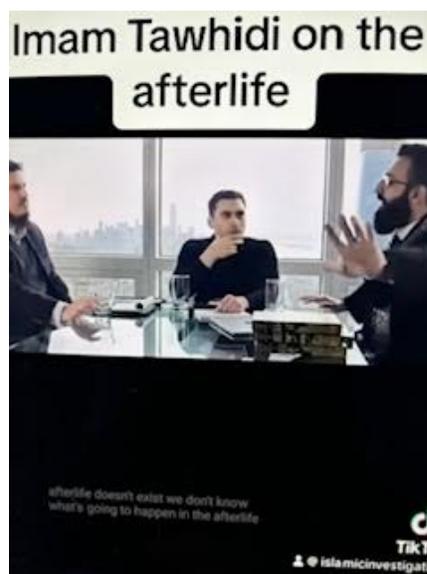

Secondly, for «**MIRROR-O-MIRROR**», our civilization, the most evolved, is the softest/weakest/slackest, the most **excessively**, the most **ridiculously tolerant**, with its **old-fashioned legal system** based on «Human Rights», it's so laughable, isn't it, as if the **IMPERFECT, THE DEFECTIVE, THE WESTERNERS**

could have the right to have any Rights whatsoever, a **old-fashioned legal system** ill-suited to the new reality of (1) massive, (2) illegal, (3) homogenizing, (4) **under-educated** and (5) subsidized immigration.

In this light, the "White" Human Zoological Group is therefore the easiest to infiltrate, little by little, the easiest to guilt-trip, manipulate, abuse, and, by the millions, **rape**. In France in 2024, 450,000 sexual assaults.

Thirdly, the West offers a degree of **freedom of thought** and **freedom of speech** that is completely incompatible with Sharia. Sharia is "Zero Freedom." And this is easily understandable?! Let's be clear! Indeed, what good could **freedom of thought** and **freedom of speech** possibly do when one is constantly in a state of omniscience, when one knows "EVERYTHING," when one has an answer for "EVERYTHING," when one is surrounded everywhere and at all times by **perfection?** And here is **TAWHIDI**, perhaps completely lost in **TAHITI**, making another curious and questionable statement.

**THE AFTERLIFE DOES NOT EXIST!
WE DON'T KNOW WHAT WILL HAPPEN AFTER DEATH!**

Fourthly, in the West, Women have Rights. "*Just a moment! Just a moment!*" whispers in my ear the narcissistic Somali. Suddenly, I feel him becoming confused, troubled, disturbed, and even **worried**.

«Imagine if Muslim women started demanding rights, all kinds of rights, including, in particular, the right to be more than just baby-making machines. Imagine! »

MY BODY IS ONLY HERE TO CARRY BABIES.

Leyla Hussein, Somali and British activist.

https://www.youtube.com/shorts/Oiu_fMaP-78

«Beware! Danger! It would be a monumental nightmare, an unprecedented ideological catastrophe, a catalyst for change for an entire civilization, enough to endanger the very survival of Sharia itself ».

Fifthly and fundamentally, what **«MIRROR-O-MIRROR»** learned from a very young age and relentlessly thereafter, under the persistent threat of apostasy punishable by death, what he learned, what he was taught from morning till night and from night till morning, is simple:

EVERYTHING THAT IS NOT MUSLIM MUST BE DESTROYED!

And this is not open to discussion, compromise, softening, or neglect, because it is doctrinal, it is dogmatic. It is even **religious**, and as such, it will never change.

Moreover, as a generalization of this suicidal strategy — — immobility is suicidal, hatred is suicidal — — the Sharia/Islam tradition takes great care to anchor its conquering ideology in the veiled minds of young Muslim girls due to get Mutilated.....

.....in spite of the fact that.....

« IN RELIGION, WOMEN ARE INFERIOR TO MEN

.....and in spite of the fact that.....

« THE WIFE MUST ALWAYS OBEY HER HUSBAND »

And this teaching, always under threat, is an effective all-purpose tool leading to **HATRED of Western tradition.**

Islamists hate Westerners

And, just like the education of young boys, for girls it also starts very early..... under the baton when necessary.

Let's move now from.....

« **WHITE** ANIMALS »

to.....

« WHITE **ANIMALS** »

«**WHITE**», it is clear, precise, targeted, singular, circumstantial, occasional, punctual, transient. «**WHITE**» it's localized.

«**WHITE**» here is the antithesis of Universality. «**WHITE**» does not encompass the Global Caliphate. «**WHITE**» does not encompass "ISLAM WILL NEVER CHANGE." «**WHITE**» does not encompass « **EVERYTHING** » in « **EVERYTHING THAT IS NOT MUSLIM MUST BE DESTROYED** ».

«**WHITE**» represents only 25% of the world's population. «**WHITE**» is only one of the four great civilizations of the Blue Planet.

That is what I announced earlier when talking about the presence of a questionable level of intelligence on the side of the provocateur who wants to make us, the **whites**, work for him.

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY WOMEN CAN SAVE HUMANITY!

Here is now what OIIO, my browser, replied to me regarding « **animal** »:

*In French, an animal is an organized living being, generally mobile and endowed with sensitivity, as opposed to plants, and which includes human beings except in everyday language where it often refers to **non-humans**.*

So, « WHITE **ANIMALS** » would be **non-human whites**?

Are we witnessing here the prodigious birth of a new **ZOOLOGICAL GROUP**, not that of the so-called «TRANS-IDENTITIES». No! It would rather be, fictitiously of course, the **ZOOLOGICAL GROUP** of **PERFECTION**, the **SUPHU ZOOLOGICAL GROUP**. And, conversely, logically, the **INFHU ZOOLOGICAL GROUP**, as in **INFERiorly HUMAN**?

Some might say that these are just words, wordplay, useless labels, questionable perspectives. So be it! But remember that the **«PERFECT Muslim Male »** is very real, lived out daily, exported daily, imposed daily, chanted daily in mosques and on the streets of major cities to block traffic, all to brilliantly demonstrate the declared "unstoppable" power of the Muslim Brotherhood, or elsewhere.....

.....in front of a **Christmas** nativity scene to frighten **Christians**, to prevent them from celebrating a certain birth that the Western White Tradition has held since the fourth century.....

— — Christmas has been celebrated on December 25th **since the 4th century**, when the Christian Church chose this date for the birth of Jesus, coinciding with Roman pagan festivals such as Sol Invictus (Unconquered Sun) marking the winter solstice — —

<https://fr.wikipedia.org/wiki/No%C3%AB>

Ask the sadistic Sadik Khan! He hates the **Western whiteness** of « Merry **Christmas** », the second word more than the first.

WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE!
ONLY WOMEN CAN SAVE HUMANITY!

Just words! Maybe! Maybe not!

But what happens at the level of the **ZOOLOGICAL GROUP** when it comes to the Great Chinese Civilization? What kind of diplomatic, political, social, cultural and other relations does this allow us to foresee? On one side you have the Muslim "**SUPHU**" and on the other, logically, the Chinese "**INFHU**".

«**MIRROR-O-MIRROR**», the laughing Somali, steeped in crass ignorance, would he live in a world in which there are only two civilizations? And only one that is "good," the one whose primary purpose would be to "destroy the other"?

By insulting and showing contempt for "**White**" Civilization through the use of the word "animals", doesn't «Mirror-Ô-Mirror » also insult a billion Chinese people?

What if we asked the Great Indian Civilization what it thinks about it!

Islamism is totally disconnected from reality when it comes to Women, when it comes to Women's Rights. Would Islamism also be totally disconnected from reality when it comes to considering the millennia-old, all-encompassing heritage of **all** the great civilizations of Humanity to date and therefore when it comes to considering its **future** as a whole Terrestrial Human Zoological Group?

WHAT WILL IT BE THIS TIME?

Pierre Teilhard de Chardin:

....**a single legislation**, a single spirit, a single orientation aimed at encompassing the permanent diversity of individuals and peoples.

So?

HOW COULD A SINGLE UNIVERSAL LEGISLATION
PROVE TO BE MEANINGFUL AND PROMISING **IF...**

**IF FOUR BILLION (4,000,000,000)
WOMEN FROM EVERYWHERE
ARE NOT PART OF IT?**

Does Islam dominating the world really make sense?

Does Sharia as Universal Legislation really make sense?

I answer « No! » an « No! ».

WOMEN FROM EVERYWHERE, contribute/participate in the creation of authentically new **MOMENTS, MOMENTS**, dedicated to Peace and, inseparably, **MOMENTS**, dedicated to **WOMEN'S RIGHTS**, decisive **MOMENTS**, leading to the emergence of a sort of new spirituality with a concrete foundation, lived daily, an essentially Human foundation.

Experience **MOMENTS** that will most often last **ELEVEN (11) SECONDS EVERY SUNDAY** or, for global, national, thematic or other events, **MOMENTS** that will last 65 seconds.

ELEVEN (11) SECONDS EVERY SUNDAY

Round and Blue is your home round and Blue my Hope

**A RALLYING SONG OF WOMEN FROM EVERYWHERE
FOR PEACE!**

A RALLYING SONG OF WOMEN FROM EVERYWHERE
AGAINST SHARIA LAW!

A RALLYING SONG OF WOMEN FROM EVERYWHERE
FOR A BETTER WORLD
