## SYSTEMIC HYPOCRISY OF THE «**TORTURER**» REGIME OF AYATOLLAH KHAMENEI IN IRAN.

To **Mahsa Amini**, to **Mercedeh Shahinkar** and to  
tens of thousands of Iranian Women tortured, raped and killed  
by Khamenei's misogynistic and hypocritical regime for refusing to wear the **veil**.

<https://iranwire.com/en/features/126622-irans-human-rights-global-milestones-achieved-amidst-struggle/>

«As reported by **IranWire**, hundreds of Iranian Women have suffered serious **eye injuries** after being hit by pellets, tear gas grenades, paintballs, or other projectiles used by security forces during a bloody crackdown on mostly peaceful protests. According to doctors, at least **580 protesters have lost one or both eyes** in Tehran and Kurdistan to date.»

[https://en.wikipedia.org/wiki/Eye\\_injuries\\_during\\_2022\\_Iranian\\_protests](https://en.wikipedia.org/wiki/Eye_injuries_during_2022_Iranian_protests)

«According to conservative estimates published by ophthalmologists in November 2022, 580 confirmed cases of serious eye injuries were recorded during the 2022 «**Woman, Life, Freedom**» protests, triggered by the death in custody of **Mahsa «Jina» Amini**. The actual number of injuries is likely much higher.».

**WOMEN'S RIGHTS AND PEACE ARE INSEPARABLE.  
ONLY «FREE » WOMEN FROM EVERYWHERE CAN SAVE HUMANITY.**

There is a proverb that says: "**A picture is worth a thousand words.**"

So here are two (2).

**Only** Women can create, in the concrete realities of everyday life, a better world for future generations.

**Only** Women are capable of leaving a lasting legacy, what a precious gift for the Human race, a truly **PEACEFUL MOMENT....**

## IN RELIGION, **WOMEN ARE INFERIOR TO MEN**

<https://www.maison-islam.com/articles/?p=573>

*« I read that the Prophet is said to have stated that **Women will go to hell more often than men**, and that this is due to their **LACK OF INTELLIGENCE** and their poor religious practice. He is even said to have added, as proof of their poor religious practice, that Women cannot pray or fast while menstruating ».*

L'Ayatollah Khamenei, what a hypocrite!  
L'Ayatollah Khamenei, what a misogynist!  
Mahsa and Mercedeh! Kill them! Discreetly!

**Prayer with** Girls led by Ayatollah Khamenei | Celebration of Angels

## FALLEN ANGELS

<https://www.google.com/search?client=firefox-b-e&q=d%C3%A9chu+d%C3%A9finition>

**Fallen Angels = Deprived of a state of grace**

## **THE « DOTTED » ANGELS**

Faced with such an invasion of dark dots on a white background, white being, I suppose, the color symbolizing here «purity», I first wondered not why these girls are all « veiled »No! I understand that the « veil» is the primary sign of the **subjugation** of Women throughout the Sharia cosmos. Instead, I wondered why, all too often, the very young age of the « dotted » « **ANGELS** » does not prevent them from being **VICTIMS OF A FORCED MARRIAGE**

**Such a degree of immorality is so disgusting!**

**===== DETOUR =====**

According to Stephanie Sinclair, the **visionary** and courageous Founder of  
« TOO YOUNG TO WED ».....

**<https://tooyoungtowed.org/>**

..... there is in the world at this moment one (1) **too young girl wedding** » every three (3) seconds, that is to say, roughly, 28,800 per day or a little over ten (10) million per year. What a shame! Totally intolerable!

## ===== DETOUR 2 =====

<https://www.youtube.com/shorts/2LWZ5TqmgTQ>

And then, what a ?coincidence?, on March 15, 2026, just a few hours after having written what you've just read, I find a "YouTube Short" that confirms, alas even more unacceptably, this whole matter of .....

### « TOO YOUNG TO WED »

This Is The Legal Age For Muslims To Marry in Iran!

**She** says: By the way, what's the legal age a girl can be married?

**Imam** says: When she reaches puberty.

**She** says: There must be a legal age.

**Imam** says: A girl can reach **puberty at 9** and then she can be married.

**She** says: « You (the readers) would most probably think « **Child Marriage** or **Child Bride** is a **cultural** thing. **NO! IT ISN'T! IT'S AN ISLAMIC THING** » It is authorized by Allah and practiced by the **PERFECT** man which is Muhammad. I was born and raised in the Islamic Republic of Iran. Those who have the **POWER** decided to manipulate and sugarcoat what **ISLAM** and **SHARIA** stand for ».

**Editor** says: She's got a point. **MUHAMMAD MARRIED A SIX YEARS OLD (AISHA)**. This is not a myth. This is the reality of the Islamic regime in Iran.

===== **DETOUR 3** =====

Then I found a completely idiotic ?Imam? who, can you imagine, **teaches how to perform a stoning**. Here's what my browser told me about it: "*Stoning is the **torture** or act of killing a person by throwing stones at them, often carried out in a group.*"».

An Islamist teaches how to **stone** Women and homosexuals.

===== END OF DETOUR =====

Anyway, getting back to the sad situation of victims of forced marriages, I wondered why their white dresses are covered in dots. First, I should clarify that, given the numerous red masks worn by the "ANGELS" in question, I deduced that this photo must have been taken during the COVID-19 pandemic. But I certainly didn't conclude that the dots on their dresses were an evocation of that disease.

In my opinion, this dotting is meant, how sad and deceitful it is, to indicate that, in accordance with the misogynistic Islamist ideology totally

disconnected from reality, a Girl, a Female, a Woman, **would** be afflicted from birth with a most shameful disease:

## **THE DISEASE OF FEMALE IMPURITY!**

Did you say « **impurity** »?

**YES! ACCORDING TO CHARIA, ABSOLUTELY YES.!**

In this regard, here is the most terrible and terrifying equation imaginable, the most totally incompatible with Western values, the most contemptuous with regard to everything concerning "WOMEN'S RIGHTS", the most ignoble with regard to everything concerning the brilliant, gloriously intelligent reproductive mechanism of the Human Zoological Group, the signature equation of the total "past-oriented" disarray in which the so-called elites (Imam - Mullah - Caliph - Mufti) of the Islamic Brotherhoods still wallow at the beginning of this third millennium:

## **MENSTRUATIONS = DEATH**

<https://fondationdjigui.org/lislam-ne-va-pas-autoriser-une-pratique-qui-peut-causer-du-tort-a-un-etre-humain/>

«Among **impure** things, the case of **blood** is symbolically interesting since, offered to the deities — on the occasion of gatherings of young girls dotted and indoctrinated by none other than Grand Ayatollah Khamenei — this **blood** would be **pure**. But, at least according to the doctrine of

*Sharia, this same **blood**, flowing from a Human being, would be **impure**».*

*« No doubt we must see here the persistence of ancient fears, **blood** representing life, its loss evoking death and, in the case of menstruation, the **impurity** attributed to this **blood** rests on an archaic fear of this unexplained cyclical phenomenon: **the menstrual cycle**.*

In this regard, it should be noted that.....

## **TO MARK THE PASSING OF TIME**

.....Life has chosen to turn towards an accomplished, meaningful, faithful, reliable and fertile parallelism, that of the celestial **cycle of the Moon** and that of the no less celestial **cycle of female menstruation**.

## **WHO CAN TOP THAT? CERTAINLY NOT SHARIA!**

«More fundamentally, the very fact that a Woman can be considered in a state of **impurity** at some point in her life still suggests that she would then be **impure**.”

<https://fondationdjigui.org/lislam-ne-va-pas-autoriser-une-pratique-qui-peut-causer-du-tort-a-un-etre-humain/>

*«Indeed, the fact that a menstruating Woman is forbidden from certain ritual acts qualifies and disqualifies the person herself, not just her menstrual **blood**. Because of these taboos and prohibitions, a **cultural asymmetry** is thus established between men and Women, a situation confirmed by this well-known statement:*

**« IN RELIGION, WOMEN ARE INFERIOR TO MEN  
BECAUSE SHE NEITHER PRAYS NOR FASTS DURING HER PERIOD ».**

*« In what way would Women be considered  
a subcategory of believers? »*

*« It is forbidden for a man to divorce a woman during her menstrual period. Women are required to maintain impeccable hygiene and **refrain from performing prayer**. They are not required to make up prayers missed during their menstruation.».*

*«During menstruation, prayer, fasting, and sexual relations are forbidden. During the month of Ramadan, the onset of menstruation breaks the fast, and the woman is expected to make up the missed days of fasting later.».*

*Why are menstruating Women considered **impure**?*

<https://hannahpad.fr/blog/pourquoi-les-femmes-reglees-sont-elles-considerees-impures--n37>

*« The reasons for this perceived impurity vary from culture to culture. For some, menstruation represents a danger. Bleeding is believed to possess malevolent and **demonic powers**. The mere presence of a menstruating Woman could bring curses, illness, and death to those who approached her. Even her gaze was considered dangerous. ».*

**But where are we?  
What millennium are we in?**

I find that this question arises and, consequently, I feel the need to point out to you who are reading this that I take no particular pleasure in **denouncing** the omnipresent endemic misogyny inherent in Islamist ideology and, therefore, in the ideology of Sharia.

That's why, as a conclusion that I want to be positive, promising, realistic and heartfelt, I say.....

**ALWAYS STRAIGHT AHEAD, KEEP GOING FORWARD,  
ALWAYS FORWARD, THE HEART BEFORE.**

.....and consequently, that why I decided to add the following two testimonies:

<https://www.youtube.com/watch?v=jEBwj6RWcJc>

**IRANIAN Woman Send A Message To The American People**

Her name is FABFARA 9. Here is the beginning of what she says:

*This message is for all my American friends and Americans in general. I have been in this country for 26 years. I never voted for anybody, no President, because I didn't believe in none of them. Not Democrats, not Republicans. I didn't vote for any of them. The only time I voted was last election. **I voted for Mr. Trump. And I think I did the best decision in my life.** Not as my vote was important, but for me, I think it was **the right decision to trust somebody who wanted to do the right things for 80 million people.** If you American live in this country and you hated him or you hate him, I don't know about you, but for us, for 80 million people, he did the right things. **And I am so proud of him. I am so proud of being an American.....***

I cut at that point because, the moment I read **proud to be American**, almost instantly, I thought of this passage, page 5 of my script "RE-ROOTING":

We must stop apologizing for having been and still being the most advanced in the field of **Music**.

We must stop apologizing for having been and still being the most advanced in the field of **Knowledge**.

We must stop apologizing for having been and still being the most advanced in the field of **Science**.

We must stop apologizing for having been and still being the most advanced in the field of **Technology**.

We must stop apologizing for having been and still being the most advanced in the field of **"WOMEN'S RIGHTS"**

**NOTHING TOUCHES THE SOUL MORE DIRECTLY THAN BEAUTY**

**Joseph Addison (1672 - 1719)**

***BUT I WILL SAY « THANKS, PRESIDENT TRUMP FOR HELPING THE IRANIAN PEOPLE ».***

**UNEXPECTED POSTSCRIPT**

<https://www.youtube.com/watch?v=XRyu1olufj8>

On March 20, on FOX News, I found a comment by Mr. **Sean Hannity** and I find it very relevant.

*Iran will fall “very soon” if Trump carries out this plan:*  
**Victor Davis Hanson.**

Sean Hannity:

**AN UNFORTUNATE ASPECT IS ADDED TO THE CONFLICT IN IRAN.** Apparently, the « **anti-Trump derangement syndrome** » is so widespread on the left that the mainstream media, Democrats, and other so-called liberals all hope to defeat America. These self-righteous zealots are now supporting a regime in Iran that murders protesters, throws homosexuals off buildings, and.....
